***Please include an explanation on a separate page for each "yes" answer.

BORROWER VERIFICATION AND SIGNATURE

I represent and declare under penalty of perjury under the laws of the State of California that this is a true and correct statement of the current financial condition of the prospective borrower and its owners, cosigners, and guarantors. Any existing or threatened litigation, claim or circumstance, which might reasonably be expected to affect the condition in the future, is fully described in an attached statement.

I will immediately notify you in writing if there is a material change in my financial condition. In the absence of such notice, this shall constitute both a new and continuing statement of my financial condition if I become obligated to you or you rely, to any extent whatsoever, on this statement of my financial condition.

I agree that my present and future obligations to you may become immediately due and payable, at your sole discretion, if: (a) I, or any cosigner or guarantor of any of my obligations, at any time fail in business, become insolvent, commit an act of bankruptcy or die; (b) a writ of attachment, garnishment, execution or other legal process is issued against a material portion of my property; (c) any act for the collection of delinquent taxes is taken against me; (d) any representation to you by me or a cosigner or guarantor of my obligations proves to be misleading or untrue; (e) I fail to notify you of any material change in my financial condition or there is a materially adverse change in my condition; (f) I sell or transfer any interest in my current business; or (g) any other action or condition contained in the loan agreement which is executed by me. I waive the right to notice of any action taken by you in enforcing these rights.

- **You may verify the information contained in this statement with any third party.**
- **I am authorized to submit this application on the part of the applicant business.**

Underground Storage Tank

Loan Application

Part 2

The following items need to be included with the signed loan application and mailed to the State Water Resources Control Board, Division of Financial Assistance, P. O. Box 944212, Sacramento, CA 94244-2120 for consideration of a loan.

1. List of each underground storage tank (UST) owned or operated by the business applying for a loan. The list shall include the address of each UST, the number of USTs at each location, and indicate which USTs will be included in the project using the loan funds (project tanks).
2. For each UST, include a copy of the current permit. Evidence of a current permit shall consist of one of the following:
 - A. A copy of a current permit issued by the county or city agency charged with responsibility for USTs (local agency); or
 - B. Both of the following:
 - i. A completed State Water Resources Control Board Form A & B, signed by an authorized representative of the local agency; and
 - ii. Evidence that the permit fee has been paid for each UST for the current year, consisting of a cancelled check or a receipt from the local agency.
3. Description of any unauthorized releases from a UST owned or operated by the applicant, including copies of correspondence between the applicant and federal, state or local agencies concerning any UST owned or operated by the applicant.
4. Information regarding the project for which funds are being requested (project), including a description of the reasons why:
 - A. The project tanks either currently are not, or in the future will not be, in compliance with federal, state or local standards.
 - B. The project will result in UST compliance with federal, state or local standards.
5. Description of the project in detail, including:
 - A. A list of the project components, with the cost and time line for the completion of each component.
 - B. The name and applicable experience of the individual or firm preparing the cost estimates, and copies of any supporting invoices estimates or contracts.
6. A project can consist of the upgrade, repair or removal of a UST used to store petroleum. The project can also include corrective action. Corrective action can include any action taken to correct an unauthorized release from a UST used to store petroleum, including: evaluation and investigation of an unauthorized release, initial corrective action measures, any actions necessary to investigate and remedy any residual effects remaining after the initial corrective action and post clean-up monitoring.
 - A. A description, budget, and time line for each segment or activity comprising the corrective action, and the identified source of funding for each segment or activity.
 - B. A copy of any corrective action plan approved by the local agency or regional board.
7. Copies of all petroleum tank tests/monitoring reports conducted on any project tank during the last three years.
8. Schedule of Current Debt, completed for all existing loans (form attached).
9. Environmental Audit, completed and signed (form attached).
10. Current Financial Statements, Personal and Business.
11. Tax Returns, Personal and Business for last 2 years.
12. Grant Deed with Real Property description.
